A Twice-Told Tale

One of Interest to Our Readers

Good news bears repeating, and when it is confirmed after a long lapse of time, even if we hesitate to believe it at first hearing, we feel secure in accepting its truth now. The following experience of a Farmington man is confirmed after five years. J. P. Zollman, justice of the peace, Division St., Farmington, Mo., says: "For about a year, I was annoyed considerably by the frequent passages of the kidney secretions, particularly during the night. Often when stooping over after a slight exertion, I could feel my back getting weak. I finally got Doan's Kidney Pills and since using them, I have felt no sign of the trouble."

What Children Need Now

In spite of the best care mothers can give them this winter brings sickness to many children. Mrs. E. Neunreiter, Eau Claire, Wis., writes: "Foley's Honey and Tar cured my boy of a severe attack of croup after other remedies had failed. It is a wonderful remedy for coughs, colds, croup and whooping cough." It stops laryngeal coughs. Sold Everywhere.

Let's Lay the Flood on the Moon

Whether vindicated in any of his remaining conceptions of the present war, Lord Kitchener certainly had a fine eye for length. How Mr. Davis Got Rid of a Bad Cough. "Some time ago I had a very bad cough," writes Lewis T. Davis, Blackwater, Del. "My brother McCabe Davis gave me a small bottle of Chamberlain's Cough Remedy. After taking it but only used one of them as the cough left me and I have not been troubled since." Obtainable everywhere.

New York's rat population

numbers 2,500,000, but how the census was taken we are not told. Now Feels Entirely Well. "I had a severe pain in my back and could hardly move. I took about two-thirds of a box of Foley Kidney Pills and now feel entirely well." Middle-aged and older men and women find these safe pills relieve sleep disturbing bladder ailments. Sold Everywhere.

Thieves broke into and robbed

a Cleveland chewing gum factory last week, and now the owners are chewing the rag. Constipation. When constive or troubled with constipation take Chamberlain's Tablets. They are easy to take and most agreeable in effect. Obtainable everywhere.

If fortune-telling is immoral,

is not weather forecasting tarred with the same stick? It is all more or less guess work. Cut This Out—It Is Worth Money. DON'T MISS THIS. Cut out this slip, enclose with Dr. E. C. Fay & Co., Chicago, Ill., writing your name and address clearly. At assessor Ben-stoff seems

to take up most of his time these days in explaining that the latest revelations don't involve him. After Laryngitis—What? P. J. Provo, Bedford, Ind., writes: "An attack of laryngitis left me with a severe cough. I tried everything. I put a tin of it on my chest, never would get well. Finally, two bottles of Foley's Honey and Tar compound. I am now well and back to my normal weight." A reliable remedy for coughs, colds, croup. Sold Everywhere.

Chief Clerk W. B. Webb

of the railway mail service has a unique specimen of early newspapers in his office in the federal building, it being a copy of The Daily Star, printed at Hudson, New York, and dated Wednesday, Feb. 19, 1862. It was edited and published by Alexander H. Webb, the father of Chief Clerk Webb, and is about the size of an ordinary copy of a dry goods circular. It contains about 4,000 words of news and telegraph, and a great variety of advertising matter, all set in small type. Its two railroads, it would appear, rarely changed time, as the time cards are two years old. A feature of the paper is a short account of the taking by General Grant of Fort Donelson, and it also discloses that the war correspondent was as much of a liar then as he is now. In the press dispatch about the Fort Donelson fight it states that 300 were killed and 400 wounded on the Union side, while in another column appears a story from a Union officer who was in the fight, who boldly asserts that in passing over "across" and across of the field it was impossible to step without touching a dead or wounded soldier.—St. Joseph Observer.

Do You Find Fault With Everybody?

An irritable, fault-finding disposition is often due to a disordered stomach. A man with good digestion is nearly always good natured. A great many have been permanently benefited by Chamberlain's Tablets after years of suffering. These tablets strengthen the stomach and enable it to perform its functions naturally. Obtainable everywhere.

Elmer Coffman of Laclede county

bought the boys a box of cigars when he was married nearly nine years ago and when the last "smoke" had been taken therefrom he nailed down the lid of the box and converted it into a saving bank. Through a slot cut in the end of the box Elmer would drop every dime that came his way and did not miss them either. A few days ago when it seemed there was no more room for dimes, Mr. Coffman opened the box and counted the coins. Without missing the money he saved 3,680 dimes.—Exchange.

The Willard-Moran fight

is scheduled for St. Patrick's Day, and it's a safe bet that the Irish will be there with a shamrock for the winner.

Wisconsin has from time

to time been an annex of various other states. Wisconsin from 1805 to 1809 formed a part of Indiana territory. From 1809 to 1818 Wisconsin was embraced in the territory of Illinois. When Illinois became a state all the country north of it, including Wisconsin, was joined to Michigan. After more than forty years of shifting Wisconsin was admitted into the Union with her present boundaries in 1848.

Action Is Natural

P. S. Mosham, Hancock, Mich., writes: "I have given Foley Cathartic Tablets a thorough trial and can positively state they are the best laxative I ever used. Their action is natural, no pain or griping, and they clean the system in fine shape." Stout persons say the lumpy, free feeling they bring is a blessing. Sold Everywhere.

Try them. Foley Kidney Pills will do for other men and women—black-birch-what they have done for Mrs. Stryzyna. Last year, I got almost down with my back," writes Mrs. H. T. Stryzyna of Colinsville, Ga., E. No. 3. "I suffered from inflammation of the bladder, and whenever I stopped doctoring I grew worse. I tried Foley Kidney Pills, and after taking them while my bladder action became regular and the stinging sensation disappeared, I am now stronger in my back than I've been for several years, and since getting well, I've traveled well and had no return of the trouble."
